- Options:**
- 1 – 8x8 Paver with logo – \$1,000
 - 2 – 8x8 Paver without logo – \$500
 - 3 – 4x8 Paver without logo – \$250

Please print clearly and fill in the boxes exactly as they should be engraved. Only one letter, number, or punctuation per block. Leave a blank space where needed. Position of logos are typical – each paver will be custom made to your specifications. Paver text must mention veterans (honors, salutes, etc.)

Logo images must be provided in an IBM compatible format in the following extensions: PLT, EPS, CDR or AI. We prefer an image that is flat black and white at 300 dpi. Illustrator eps/vector files are ideal. A vector based image is an incredibly small, scalable and editable image, allowing designers unlimited freedom when it comes to logo design and illustration. Vector files usually feature the file extensions EPS, AI and CDR.
